

TIPS ON CHOOSING YOUR RING SIZE

OPTION 1: measure a ring you already own

1. Print this sheet in 1:1 or 100% ratio. Make sure you uncheck 'fit-to-page' or 'actual-size' settings.
2. Place your ring on top of the circles.
3. Choose the one most fitted to the INSIDE diameter of your ring.

OPTION 2: measure your finger

1. Cut a thinner strap of paper or use a thicker cord.
2. Wrap it around your finger where you want your finger to sit.
3. Mark the point where the ends meet with a pen
4. Measure the length of the paper/cord. Choose the size closest to your measurement.
